

PINSON UROLOGY AND PELVIC HEALTH CENTER

FINANCIAL POLICIES

Welcome to Pinson Urology, it is our pleasure to be caring for you. As we embark on this partnership, we want to make you aware of our financial policies. These policies are designed to accommodate all of our patients' needs regardless of their current financial position, or insurance status. If you have any questions or concerns regarding our policies you can reach our Practice Manager at the Jackson location Monday through Friday, by calling (517)768-0600.

For your convenience we accept, cash, check, and credit cards including: Visa, MasterCard, Discover, and American Express.

Co-payments or Co-Insurance, and Account Balances: These fees are due at the time of your appointment with our office. Each insurance policy is different, and we ask that you contact your insurance company before your scheduled appointment time to inquire about these fees, and have payments available at the time of your visit.

No Show, or Missed Appointments: There will be no fee associated with your first missed or rescheduled appointment; however, subsequent **missed or rescheduled appointments with less than 48 hours notice will result in a \$25.00 fee.**

Procedure Appointments: Missed or rescheduled in-office procedures with less than 48 hours notice will result in a \$100.00 fee.

Surgery Cancellation or No Show: We work very hard to accommodate surgery requests as quickly as possible. We ask for a 10 business day notice to reschedule or cancel surgery, late cancellation will result in a \$250.00 fee. If you must cancel or reschedule your procedure please be sure to call our surgery scheduler at 517-768-0600 more than 10 business days prior to your procedure.

***The above mentioned fees are not payable by any insurance company and are your full responsibility.**

No Insurance: There are many programs available in our area to assist you in paying for your medical expenses. We would be happy to direct you to those programs that we participate with. If you do not wish to enroll in one of the accepted programs it is the policy of our office that you make a 50% down payment or \$90 at the time of your visit and meet with the Practice Manager to make payment arrangements for any remaining balance. We do offer a discount for cash paying patients to help alleviate the financial burden associated with being uninsured.

We appreciate your business and will work with you to make sure you get the care that you need.
