

Vasectomy Pre- and Post- Care Instructions

1. Prior to your procedure, please shave the entire scrotal area.
2. You will be scheduled for a follow up visit two weeks after your procedure to check the incision site.
3. A small amount of bleeding from the area of the incision is normal on the day of the procedure.
4. Bruising may occur. Discomfort can be treated with Tylenol and/or ice packs.
5. Sutures do not need to be removed they will dissolve after 7 to 10 days.
6. A semen analysis is needed two months after your procedure and again at three months after your procedure. This specimen must be collected directly into the sterile container that we provide. Once collected bring the sample to our office or to an Allegiance Health Lab or Promedica Lab as soon as possible.
7. When we receive your results we will mail them to you, with further instructions if needed.
8. **Other contraceptive methods must be used until you have two consecutive negative semen analysis results.**

Vasectomy charges are as follows:

Prices may vary in these ranges.

Consultation/Office visit	\$200-350.00
Vasectomy (codes 55250, V25.2 for ins. Verification)	\$875.00
Wound check	FREE
Total Charges from Pinson Urology	\$1075-1225.00

There are additional laboratory fees associated with this procedure that are not included in the estimate given above. Your vas deferens will be sent for pathological analysis. This will incur a separate charge. You may want to contact your insurance company to find out if this covered by your insurance plan. The semen analysis is also an additional charge from the hospital. It is a charge that is billed from the laboratory facility not Pinson Urology. If you have questions regarding those charges you should contact those facilities to inquire.

This document is to insure that you understand all of the pre- and post- care instructions as well as the charges associated with the vasectomy procedure. You are responsible for charges that are not covered by your insurance company.

Note: If you do not come to your scheduled appointment for your Vasectomy and do not call within 48 hours of your scheduled appointment to reschedule you will be charged a \$100.00 missed appointment fee.

Please feel free to call our office at (517)768-0600 with any questions or concerns that you may have.
